

# MATERIAL GUIDE

## STICKERS:

Open Your Eyes stickers can be put on things like notebooks, binders, signs, laptops, and much more. Be sure to be responsible with the stickers and don't put them anywhere where they aren't welcome.

Mediumweight Paper • Won't fade or yellow • A

## WINDOW CLINGS:

Window clings, the less permanent alternative to a bumper sticker! You can put these on windows of all sorts: car windows, store windows, home windows, etc.

## PINS:

Who doesn't like some new flair? Open Your Eye pins can be worn on clothing but can also be secured to things like back packs and cork boards.

# MAGNETS:

Fridges everywhere rejoice! We have magnets. Refrigerators and file cabinets are two places you can place these magnets.

## OPEN YOUR EYES TO: \_\_\_\_\_

The pictures here are some examples of thing to open your eyes to. Use these as inspiration on what you want your community to open their eyes to! Post these signs with tape or poster putty.
